

Our trip to Maryland for the Vigil4Life youth rally and then to Washington DC for the March for Life was a great retreat and service opportunity to support the dignity of human life from conception to natural death.

We had a lot of fun... yes, even though we slept on the hard floor and it rained!

St. Elizabeth's put the young men to work moving stage platforms... their athletic training paid off

We experienced:  
Music, Great Speakers,  
and some fun Games...  
Adoration, Prayer, and Mass
